October 2021

During the FIG General Assembly 2022 that will take place in August/September 2022 the FIG General Assembly will elect a new president and two new Vice Presidents for term of office 2023-2026.

Dear FIG Member,

You are invited to consider nominations for:

- **President** (one open post)
- **Vice President** (two open posts)

of the Federation for the term 2023-2026. The Council has prepared templates specifying the background information required from each candidate for the open posts as President and Vice President. The Call for Nomination, nomination templates and an extract of the relevant sections of the FIG Internal Rules are available on the FIG website www.fig.net.

All nominations must be made using the appropriate nomination templates together with a covering letter of support from a FIG Member Association. The letter of support must be from either the President or the Principal Officer of the nominating FIG Member Association. The positions are volunteer but are high prestigious positions with a large responsibility and commitment.

In the event that a current Vice President is nominated and elected as the next FIG President but has served only for two years of his term of office (2021 – 2024), there will be a further election for a Vice President for the remaining two year term of office (2023-2024). When making your nomination for the Vice President could you please consider and indicate if your candidate will also be available for this shorter period in Council if so required.

Engagement Committee

At the General Assembly 2021 FIG Council has promised the General Assembly to create an Engagement Committee for a trial period for the next 2 years with the aim to have a good and richer choice of candidates for the voting of senior positions in 2022.

The task of the Engagement Committee will not be to check whether a person is suitable or not for the senior positions within our federation. It is to encourage and to motivate relevant persons and their association in becoming a candidate. Please also see attached description of the Engagement Committee

If you have any questions you can approach one or more of the members of the engagement committee. You are also always welcome to contacting me in FIG office.

The members of the engagement committee are:

| Name | Country | FIG responsibility | Email |
|------------------|-----------|--|--|
| Chryssy Potsiou | Greece | Honorary President | chryssy.potsiou@gmail.com |
| John Hohol | US | President, FIG Foundation | jhohol@gmail.com |
| Angela Etuonovbe | Nigeria | Former Commission Chair | aetuonovbe@yahoo.com |
| Volker Schwieger | Germany | Peer Review Chief Editor and Former Commission Chair | volker.schwieger@iigs.uni-stuttgart.de |
