FIG Newsletter - December 2016

Dear Colleague,

Welcome to the FIG Newsletter, which brings you latest information about FIG and its activities. The information referred here is in full length available on the FIG web site. Thus the Newsletter is produced to inform you what has happened recently and what interesting things are going to take place in the near future. The FIG Newsletter is circulated monthly or bi-monthly by e-mail. The referred articles are in English and written in a way that you are able to extract them to your national newsletters or circulate to your members and networks.

FIG Office wishes you

FIG is all about Networking...

Seasons Greeting and a Happy New Year!
Joyeux Noël et Bonne Année
Fröhliche Weihnachten und Ein Gutes Neues Jahr
Feliz Navidad y Prospero año nuevo!
Kul sanna wa'intum b'kheir
새해 복 많이 받으세요!
Glædelig jul og godt nytår

Please note that FIG Office will be closed from 23 December 2016 until 3 January 2017.

We will be looking forward to the cooperation with you in 2017.

To members

Please note that the yearly membership invoice will be sent out in January. The email will be sent from FIG, but sender will be “@e-economics.dk”. Please note that this email is not spam although it is sent from another email address than our usual @fig.net. This will be the only email from us that is not sent from our normal email addresses! Please keep an eye on the email...

Article of the Month – December 2016

Each month on the FIG web site we publish a paper called the Article of the Month. This is a high-level paper focusing on interesting topics to all surveyors. It can be picked up from a FIG conference or another event. The article in **December 2016** is written by **Cromwell MANALOTO, Daniele BRANCATO, Alessandro DALMASSO, Luca DAL BUONO, Angelo CRESCENZI, Italy : Project BDI: the Socioeconomic Impact of Comparable Property Analysis through GIS**. The paper was presented at the FIG Commission 3 Workshop and Annual Meeting in Iasi, Romania and was selected among the papers at the workshop to be FIG Article of the Month. The article focuses on the BDI – Real Estate Comparable Database Project, created to provide a strategic tool to all entities operating in the real estate sector
