**FIG e-Newsletter  
July 2007**

Dear Colleagues,

Welcome to the FIG e-Newsletter, which brings you latest information about the FIG and its activities. The information referred here is in full length available on the FIG web site. Thus the e-Newsletter is produced to inform you what has happened recently and what interesting things are going to take place in the near future. The FIG e-Newsletter is circulated by e-mail monthly. The referred articles are in English and written in a way that you are able to extract them to your national newsletters or circulate to your members.

**Article of the Month – July 2007**

In the FIG Article of the Month series high-level papers focusing on interesting topics to all surveyors are published. The paper can be picked up from a FIG conference or another event. The Article of the Month in July is [“Land Markets – why are they required and how will they develop?”](#). It was written by Rob Mahoney, Peter Dale, and Robin McLaren, United Kingdom and was presented as a paper in a technical session during the FIG WW2007 ([www.figww2007.hk](http://www.figww2007.hk)) in Hong Kong SAR, China in May 2007
