FIG e-Newsletter
November 2007

Dear Colleague,

Welcome to the FIG e-Newsletter, which brings you latest information about the FIG and its activities. The information referred here is in full length available on the FIG web site. Thus the e-Newsletter is produced to inform you what has happened recently and what interesting things are going to take place in the near future. The FIG e-Newsletter is circulated by e-mail monthly. The referred articles are in English and written in a way that you are able to extract them to your national newsletters or circulate to your members.

The **6th FIG Regional Conference** took place in San José, Costa Rica from 12 to 15 November 2007 and the staff of the FIG Office has been busy preparing, handling, and now making reports, etc. from a very successful Regional Conference.

The Technical Sessions of the Regional Conference held a very high professional standard and we want to present this success in a special e-newsletter coming out mid December.

This means that this November e-newsletter will be relatively short and you will receive an extended newsletter for December.

At this time we want to remind you that online registration for the FIG Working Week 2008 in Stockholm, Sweden is now open on the Conference website www.fig.net/fig2008 and on the FIG website www.fig.net. When you register for the Working Week please at the same also book your accommodation directly with the hotels mentioned under "accommodation" at www.fig.net/fig2008

Abstracts for the Working Week in Stockholm can be submitted from <http://www.fig.net/abstractdb/submit.asp?id=9>

Article of the Month - December 2007
